Respect, Grace and Courage

Parents' Update - 10th October 2025

"Thank you is the best prayer that anyone can say. Thank you expresses extreme gratitude, humility and understanding."

Alice Walker

In our worship this week, we focused on our school value of respect. We explored how we could show respect to each other and treat our school community like a family. I set a simple yet powerful challenge for our children: to use "please" and "thank you" more often. It's these small acts of kindness that can make such a significant difference in how we interact with one another at school and at home.

It was a very special harvest festival celebration at the church on Wednesday. It was great to see so many of you there. Thank you for all your donations, these will be combined with all the donations from Hale and Hyde and delivered to our local food bank. Your donations will support so many of our local families. Thank you also for your support at our Macmillan coffee morning. Tutsan class did a great job at hosting us all. A special thank you to Mrs Tully and Mrs Foord who ensured that it all ran smoothly. We raised £201!

All our children have been enjoying learning about History and Art through our 'Discover Term' this term. Our Year 5 and 6 from across the federation spent the day at Breamore on Wednesday and experienced a Greek themed day. Thank you for your support in ensuring our children can access these wonderful curriculum enrichment opportunities.

Next week, our EYFS and KS1 children from the federation will come together for their gymnastics day at Breamore. I know that the children are feeling excited about taking part in a variety of engaging physical activities and developing their fundamental movement skills

I hope you all have a lovely weekend.
