Respect, Grace and Courage

Parents' Update - 30th January 2026

"Courage is doing what you're afraid to do. There can be no courage unless you're scared." Eddie Rickenbacker

Firstly, I would like to say a huge thank you to everyone for their patience and understanding during the challenging weather conditions we all experienced this week. With travel into Hyde significantly affected, we were very grateful for the support shown as we welcomed our Hyde children to attend Breamore instead. These situations are never easy, and the calm, flexible response from families and staff truly reflected the strength of our community.

This week, courage has been a strong theme across our federation. In worship, we reflected on the story of Daniel and the Lions' Den, exploring the importance of belief, standing up for what is right, and continuing to do the right thing even when the situation feels difficult or hopeless. It was a powerful reminder for our children about integrity, faith, and resilience in the face of adversity.

Looking ahead to next week, Year 5/6 will be learning about rivers on Monday - a very topical area of study given our current environmental situation!! We have been closely monitoring the weather forecast, and have altered the location of the River visit - please see separate email for details of the new drop off/collection point.

This week some of our teachers started their Paediatric First Aid training with 'Daisy First Aid.' Our wonderful team of LSA's are already trained and by equipping teachers too we can ensure that we have as many members of staff as possible who are confident to administer first aid across the federation.

Finally, we would like to wish lots of luck to the team of children who are representing the school in the cross country event at Fordingbridge next Friday. Good luck everyone!! We are incredibly proud of you. Go Forest Edge!!! 🌳 🏃 🏃

We hope you have a happy weekend and enjoy the brighter moments, whatever the weather brings.
