Respect, Grace and Courage

Parents' Update - 13th March 2026

*"Success is not final, failure is not fatal: it is the courage to continue that counts."
Winston Churchill*

In our collective worship this week, we continued thinking about our value of courage. We listened to the story of Peter walking on water and reflected on how he showed courage to trust Jesus. The children thought about times when they might need to be brave and considered the people in their own lives, family, friends, and teachers who help them find the courage to keep going when things become difficult. It was lovely to hear the children sharing examples of how they have supported one another to face challenges with bravery and confidence.

It has also been an exciting Science Week in school. We were very lucky to welcome a range of different scientists who came to talk to us about their work and the many careers linked to science. The children showed great curiosity and enthusiasm, asking thoughtful questions and learning about how science helps us understand and improve the world around us. It was wonderful to see so much interest and engagement across the school.

Next week, our Year 5 and Year 6 pupils will be heading off on their residential trip with PGL. Residential experiences are a fantastic opportunity for children to develop independence, teamwork and confidence while taking part in a wide range of outdoor activities. We know the children are very excited and we wish them a fantastic time making memories together.

Finally, thank you to all parents and carers who attended parent consultation meetings this week. It was extremely positive to be able to share the children's progress and celebrate their achievements with you. These conversations are an important part of the partnership between home and school, and we appreciate the time you take to support your child's learning.

Thank you, as always, for your continued support. Have a lovely weekend.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools

Dates coming up - new dates underlined

- **Federation - 16.03.26 - 20.03.26 - Year 5 & 6 PGL Residential Trip**
