Respect, Grace and Courage

Parents' Update - 15th May 2026

*"Grace is not part of consciousness; it is the amount of light in our souls."
Pope Francis*

As we reach the end of another busy week, we would like to say how incredibly proud we are of our Year 6 children during SATs week. They have approached each day with maturity, determination and resilience, showing exactly how much progress they have made throughout the year. The children have represented the school brilliantly and should all feel very proud of themselves for the focus and positive attitude they have shown.

Looking ahead to next week, our Year 5 and 6 children will be taking part in an exciting 'Coding and Human Bodies Day' at Breamore on Monday. The day promises to be full of engaging activities that combine science and technology, including the opportunity for pupils to take part in a real life heart dissection as part of their learning about the human body. We are sure the children will have a fantastic and memorable experience.

Next week will also see our final Celebration Assembly of the half term, where we will recognise those children who have shown a growth mindset, sustained great effort and determination in their learning. During the assembly, we will award the Roots 'Focus' Trophy to one pupil in each class who has shown commitment, perseverance and a positive attitude throughout the term.

With just one more week until half term, we look forward to another positive and productive week ahead.

We hope you all have a wonderful weekend.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools
