*Respect, Grace and Courage*

Parents' Update - 8th May 2026

*"Success is not final, failure is not fatal: it is the courage to continue that counts."*  
Winston Churchill

As we begin another busy and exciting week at school, it is important to remember the courage and resilience our children show every day. Whether it is tackling new learning, trying something challenging, or simply supporting one another, we are continually proud of the determination and kindness shown across our school community.

We hope that everyone enjoyed the Bank Holiday Monday and the opportunity of a longer weekend to relax and spend valuable time with family and friends. These moments together are so important and although some reluctance from some, our children returned refreshed and ready for the week ahead.

On Wednesday evening we were delighted to host the First Aid course at Breamore for parents. It was extremely well attended and proved to be both informative and practical. A huge thank you to Lindsay for delivering such a useful and engaging session. We are very grateful for the time and expertise shared with our families. We place high importance on providing workshops and information evenings for parents. Please let us know if you would like some input on a particular subject. We have a workshop on Neurodiversity planned for the summer term.

We would also like to extend a huge thank you to the Hale PTA for all of their hard work and support at the Downton Cuckoo Fair. Events such as these take an enormous amount of time, effort and dedication, and we are incredibly lucky to have such a committed and supportive PTA community working at our schools

Next week, our Year 6 pupils will begin their SATs tests. We would like to wish them all the very best as they approach this important milestone. We know how hard they have worked and we are incredibly proud of their effort, perseverance and positive attitude. Most importantly, we believe in every single one of them and encourage them simply to do their very best.  
Good luck, Year 6, you've got this!
