Parents' Update - 5th June 2026

"The greatest gifts you can give your children are the roots of responsibility and the wings of independence."

Denis Waitley

Welcome back to school for the final half term of the academic year! This half term is always full of activity, with lots of learning opportunities, events and celebrations. We are looking forward to making the most of every moment together and thank you, as always, for your continued support.

Our Roots focus this half term is Independence. Across the school, we will be encouraging and celebrating those children who are showing independence in their learning, friendships and everyday school life. Whether it is taking responsibility for their work, showing initiative or solving problems independently, we know these are important skills that help children grow in confidence.

This week in KS1, we had fun together during a project day at Breamore all about our senses. The children were able to explore their senses and think carefully about how we communicate with one another. Together, they considered what life might be like without some of our senses and reflected on how we can ensure that everyone feels included. This important learning encourages empathy and understanding about the different ways people experience and interact with the world around them.

We are very much looking forward to Sports Day next week! This is always a highlight of the school calendar and a wonderful opportunity for children to show teamwork, determination and school spirit. We are keeping our fingers crossed for a sunny afternoon and look forward to welcoming families to cheer the children on and celebrate their efforts.

We would also like to remind you to join us for our Community Forum after school, after sports day. This will be an opportunity for us to answer questions about our exciting plans to open our doors to nursery aged children from January 2027. We are looking forward to sharing our vision for this next stage in the school's development.

We hope you all have a wonderful weekend. We look forward to welcoming everyone back for another fantastic week of learning on Monday.

Mrs Allen

Executive Headteacher

Breamore CE Primary, Hale Primary, and Hyde CE Primary Schools
